1. Special Education Review Committee: Dr. Mansell shared with the Board his concerns regarding the current processes employed by the ESA in providing our district with contracted services. He brought them up-to-date on his present course of action to determine what recommendations he may wish to make regarding these services after his investigation.
2. School Property & La Center Urban Growth Boundary: After some discussion, Dr. Mansell agreed to write a letter to the City of La Center requesting the School Property be added into the Urban Growth Boundary.
