

MEMORANDUM

DATE: June 6, 2016
TO: Board of Directors
FROM: Amy Neiman, Director of Teaching & Learning
SUBJECT: Supplemental Materials Adoption

As presented to the School Board during the Teaching & Learning Showcase on May 23rd by Lynn Cooke, below is the list of supplemental materials that have been piloted with students and reviewed by all members of the Instructional Materials Committee (IMC). Please go to the web address listed below for further review. All IMC comments and piloting feedback was favorable regarding the adoption of these materials. Therefore, I respectfully recommend the school board adopt the below supplemental materials:

K-12 Library - Technology

Common Core Education Digital Citizenship by Common Sense Education
