Board Workshop Minutes

**Tuesday, May 10th, 2016
4:00 – 5:00 pm**

P-8 Library

****PLEASE NOTE TIME AND LOCATION CHANGE****

1. Debrief linkage: The Board spent time discussing what was learned from the staff linkage. Overall, the linkage was very positive with the main concerns being around the need for supports to help our students who are in crisis on a much more frequent basis these days.
2. Discussion of Policy 2410 regarding LINX Graduation: The Board listened to the perspective of a parent about allowing LINX as an additional pathway to graduation along the lines of Running Start. After discussing the policy and the will of the Board when the policy was adopted the consensus was that no changes to the policy were required at this time.

As this was a workshop of the Board, no action was taken.
