

## **Governing Style**

**GP-2**

The Board will govern with emphasis on organizational vision rather than on interpersonal relationships; encourage diversity in viewpoints; focus on strategic leadership rather than administrative detail; observe clear distinction between Board and Superintendent roles; make collective rather than individual decisions; exhibit future orientation rather than past or present; and govern proactively rather than reactively.

Accordingly:

1. The Board will cultivate a sense of group responsibility. The Board will work in partnership with the Superintendent, staff, students, parents, and the community. The Board, not the Superintendent or staff, will be responsible for excellence in governing. The Board will use the expertise of individual Board members to enhance the ability of the Board as a body, but will not substitute individual judgments for the Board's collective values.
2. The Board will hold itself accountable for governing with excellence. This self-discipline will apply to attendance, preparation for meetings, policymaking principles, respect of roles, and ensuring the continuity of governance capability.
3. The Board will direct, control, and inspire the district through the careful establishment of written policies reflecting the Board's values and perspectives. The Board's major policy focus will be on the intended long-term benefits for students, not on the administrative or programmatic means of attaining those benefits.
4. Continuous Board development will include orientation of candidates and new members in the Board's governance process and periodic Board discussion and evaluation of process to assure continued improvement.
5. The Board will allow no officer, individual, or committee of the board to hinder or be an excuse for not fulfilling its commitments.
6. The Board will monitor the Board's process and performance quarterly (March, June, September and December). Self-monitoring will include comparison of Board activity and discipline to policies in the Governance Process and Board-Staff Relationship categories.
7. The Board, by majority vote, may revise or amend its policies at any time. However, the norm is after review and monitoring as scheduled in GP-8-E, a proposed policy revision will be discussed at one session of the Board prior to being approved at a subsequent Board meeting. In emergency circumstances, the Board may approve a policy change without delay.
