Mrs. Miller called the meeting to order at 7:00 PM

1. Boundary Adjustment with Ridgefield:
The Board was given a printout of the final comments Mark intends to share with the Regional Committee on the continuance of the Boundary Transfer Request Meeting being held on January 11, 2007.
2. Ends Policies:
A discussion regarding linkage meetings with staff and students resulted in the decision to put together meetings for the board with the leadership of both staff and students, respectively. The purpose of each meeting will be to collect input specific to what staff and students view as important for the board to consider as they work to establish the Ends Policies for our district. The goal is to hold a student leadership/board meeting in February with a staff leadership/board meeting to follow in March.
3. Series 6000 District Policies:
Questions were answered and various policies discussed in preparation for a first reading at the regularly scheduled board meeting of January 23, 2007.

As this was a workshop of the board, no action was taken.

The meeting adjourned at 8:08 PM.
