

**LA CENTER SCHOOL DISTRICT NO. 101
BOARD OF DIRECTORS**

Minutes of Board Workshop

Tuesday, June 12, 2007

7:00 PM

Present: Mark Mansell, Melissa Miller, Bob Taylor, Bernie Schockelt, and Laurie Kansanback

Guest: Brett Blechschmidt, Fiscal Officer

Mrs. Miller called the meeting to order at 7:00 PM

1. KWRL Meeting Update: Mark gave an overview of the items discussed at the annual meeting of Co-op superintendents and board members. There was some discussion about the possibility of a “South End” bus facility located somewhere between La Center and Ridgefield. The one thing that is known for sure is that we are soon going to need to do something different with our buses. Not only are we out of room, but there are some serious safety concerns with the buses located on our K-8 campus.
2. Procedure 2027P: Use of Videos/DVDs as Part of the Instructional Program – The board reviewed the changes that have been proposed to this procedure per their direction at the May 22nd regular meeting. Members of the board still feel that movies are inappropriately being shown in class. Once Mark has the details, he will address the issue.
3. EL-15: Instructional Materials Selection – The board reviewed the changes that have been proposed per their direction at the May 22nd regular meeting.
4. Budget Discussion: Brett provided an overview of the proposed budget for the board. He also answered questions on numerous fiscal questions in preparation for the adoption of the 2007/08 budget at the July meeting.

As this was a workshop of the board, no action was taken.

The meeting adjourned at 8:50 PM.
