

**LA CENTER SCHOOL DISTRICT NO. 101
BOARD OF DIRECTORS**

Minutes of Board Workshop

Tuesday, October 10, 2006

7:00 PM

Present: Mark Mansell, Melissa Miller, Bob Taylor, Stephanie Bodeen, and Nancy Carner
Guest: Carol Patton and Dave Holmes

Mrs. Miller called the meeting to order at 7:10 PM

1. LCHS Confidential Survey:
Mr. Mansell brought the high school confidential student survey to the board asking if he would be out of compliance with board expectations if he approved it directly. After much discussion regarding the policy it was decided that “No” Mr. Mansell would not have been out of compliance. The board’s concern was to not be surprised by this and EL-11 should take care of this expectation. The board felt that once their ends policy was finished, the reason to have surveys like this would be much clearer. Mr. Mansell said he would move forward and support using the survey.
2. Board/Superintendent Relations Policies:
The board went through these policies one by one. Mr. Mansell will make the changes as outlined by the board and present these policies as first readings at the October 24, board meeting.
3. School Property Discussion:
Mr. Mansell passed out preliminary drawings of the possible use of the Bolen property. He suggested moving forward with the purchase of the land since no other land has become available within the district’s price range. A formal resolution will be presented at the October 24 meeting.
4. Clark County Skill Center: Mr. Mansell invited the board members to the VIP Tour at the Skill Center. Mrs. Miller mentioned she had attended in the past and thought it was a very good tour. Mrs. Bodeen said that she has signed up to go with Mr. Phillips and Mrs. Kansanback on November 3rd.

As this was a workshop of the board, no action was taken.

The meeting adjourned at 8:26 PM.
