

**LA CENTER SCHOOL DISTRICT  
CHILD NUTRITION PROGRAM  
PROCUREMENT PROCEDURES  
AND  
CODE OF CONDUCT**

The procurement procedures contained on the following pages will be implemented upon board approval from that date forward until amended. All procurements must maximize full and open competition. Source documentation must be available to determine open competition, the reasonableness, the allowability and the allocation of costs.

La Center School District intentionally seeks to prohibit conflicts of interest in all procurement of goods and services. The code of conduct is identified in section G herein.

**La Center School District**

**PROCUREMENT PROCEDURES**

A. The district’s plan for procuring items for use in the Child Nutrition Program is as follows. The procurement procedures maximize full and open competition, transparency in transactions, comparability, and documentation of all procurement activities.

If the amount of purchases is more than the federal small purchase threshold currently valued at \$249,999.99 or state agency approved threshold if less (\$74,999.00), formal procurement procedures will be used as required by 2 CFR 200.318-.326 and La Center School District Procurement Code and Regulations. Informal procurement procedures (small purchase) will be required for purchases under the most restrictive small purchase threshold.

The following procedures will be used for all other purchases:

Formal bid procedures will be applied on the basis of:

Category	Procurement Method	Evaluation Used	Contract Award Type	Contract Duration/ Frequency
All perishable and non- perishable foods and Manual-All Purpose Cleaning Supplies,	Formal	Bottom line	Cost-reimbursable plus fixed fee	Annual with 2, one-year optional renewals

Paper and Plastic Supplies				
----------------------------	--	--	--	--

Formal bid procedures will be applied on the basis of a:

- Centralized System
- Individual School
- Multi-School Systems
- State Contract
- Combination of above (specify):

\_\_\_\_\_

\_\_\_\_\_

Because of the potential for purchasing more than \$75,000.00, it will be the responsibility of the Food Service Supervisor to document the amounts to be purchased so the correct method of procurement will be followed.

**B.** When a formal procurement method is required, the following ***COMPETITIVE SEALED BID or an Invitation for Bid (IFB) or COMPETITIVE PROPOSAL in the form of a Request for Proposal (RFP)*** procedures will apply:

An announcement of an ***Invitation for Bid (IFB) or a Request for Proposal (RFP)*** will be placed in the newspaper to publicize the intent of the School Food Authority to purchase needed items. The advertisement for bids/proposals or legal notice will be run once a week for two weeks.

An advertisement is required for all purchases over the district's small purchase threshold of \$75,000.00. The announcement notice will contain a:

- general description of items to be purchased
  - deadline for submission of questions and the date written responses will be provided including addenda to bid specifications, terms and conditions as needed
  - date of pre-bid meeting, if provided, and if attendance is a requirement for bid award
  - deadline for submission of sealed bids or proposals, and
  - address of location where complete specifications and bid forms may be obtained.
- In an IFB or RFP, each vendor will be given an opportunity to bid on the same specifications.
  - The developer of written specifications or descriptions for procurements will be prohibited from submitting bids or proposals for such products or services.
  - The IFB or RFP will clearly define the purchase conditions. The following list

includes requirements, not exclusive, to be addressed in the procurement document:

- Specific bid protest procedures including contact information of person and address and the date by which a written protest must be received

- Specifications and estimated quantities of products and services prepared by SFA and provided to potential contractors desiring to submit bids/proposals for the products or services requested.
- If any potential vendor is in doubt as to the true meaning of specifications or purchase conditions, interpretation will be provided in writing to all potential bidders by the Food Service Supervisor and date specified.
- The Food Service Supervisor will be responsible for securing all bids or proposals.
- The Food Service Supervisor will be responsible to ensure all SFA procurements are conducted in compliance with applicable Federal, State, and local procurement regulations.
- The following criteria will be used in awarding contracts as a result of bids/proposals.
  - a. Price
  - b. Availability (Service)
  - c. Quality

In awarding a RFP, a set of award criterion in the form of a weighted evaluation sheet will be provided to each bidder in the initial bid document materials. Price alone is not the sole basis for award, but remains the primary consideration among all factors when awarding a contract. Following evaluation and negotiations a firm fixed price or cost reimbursable contract is awarded.

- The contracts will be awarded to the responsible bidder/proposer whose bid or proposal is responsive to the invitation and is most advantageous to the SFA, price as the primary and other factors considered. Any and all bids or proposals may be rejected in accordance with law.
- Food Service Supervisor is required to sign on the bid tabulation of competitive sealed bids or the evaluation criterion score sheet of competitive proposals signifying a review and approval of the selections.
- The Food Service Supervisor reviews the procurement system to ensure compliance with applicable laws.
- The Food Service Supervisor is responsible for documentation when the actual product specified is received.
- Any time an accepted item is not available, the Food Service Supervisor will select the acceptable alternate. The contractor must inform the Food Service Supervisor when a product is not available. In the event a non-domestic

agricultural product is to be provided to the SFA, the contractor must obtain, in advance, the written approval of the product. The Food Service Supervisor must comply with the Buy American Provision.

- Full documentation as to the reason an accepted item was unavailable, and to the procedure used in determining acceptable alternates, will be available for audit and review. The person responsible for this documentation is Food Service Supervisor.
- The Food Service Supervisor responsible for maintaining all procurement documentation.

C. If the amount of purchases for items is less than the district's small purchase threshold, the following, **SMALL PURCHASE PROCEDURES, including quotes**, will be used. Quotes from an adequate number of qualified sources will be required. Procurement between \$10,000 and \$40,000 requires at least two quotes. Procurement between \$40,000 and \$75,000 requires at least 3 quotes.

1. Written Specifications will be prepared and provided to the vendor.
2. Each vendor will be contacted and given an opportunity to provide a price quote on the same specifications.
3. The Food Service Supervisor will be responsible for contacting potential vendors when price quotes are needed.
4. The price quotes will receive appropriate confidentiality before award.
5. Quotes will be awarded by the Food Service Supervisor. Quotes awarded will be to the lowest and best quote based upon quality, service availability and price. The Food Service Supervisor will be responsible for documentation of records to show selection of vendor, reasons for selection, names of all vendors contacted, price quotes from each vendor, and *written specifications*.
6. The Food Service Supervisor will be responsible for documentation that the actual product specified is received.
7. Any time an accepted item is not available, the Food Service Supervisor will select the acceptable alternate. Full documentation will be made available as to the selection of the acceptable item.

  - a. Price
  - b. Availability (Service)
  - c. Quality
9. The Food Service Supervisor is required to sign all quote tabulations, signifying a review and approval of the selections.

1. Written Specifications will be prepared and provided to the vendor.
2. The Food Service Supervisor will be responsible for the documentation of records to fully explain the decision to use the non-competitive proposal. The records will be available for audit and review.
3. The Food Service Supervisor will be responsible for documentation that the actual product or service specified was received.
4. The Food Service Supervisor will be responsible for reviewing the procedures to be certain all requirements for using single source or non-competitive proposals are met.

Non-competitive proposals shall be used for one-time purchases of a new food item in order to determine food acceptance by students and for samples for testing purposes. A record of non- competitive negotiation purchases shall be maintained by the Food Service Supervisor. The record of non-competitive purchases shall include, at a minimum, the following:

- item name
- dollar amount
- vendor, and
- reason for non-competitive procurement

A member or representative of the local School Board will approve, in advance, all procurements that result from non-competitive negotiations.

**E.** Miscellaneous Provisions: "Piggybacking" where appropriate by Group Purchasing/Cooperative Bid. Food Service will require one School District to do the procurement for the vendor. La Center School District will enter into agreement with other Districts to allow "piggyback" purchasing on the awarded contracts.

4. Specifications will be updated as needed.
5. If product is not as specified, the following procedure will take place:
  - The Food Service Supervisor will contact the vendor for a refund or replacement.

#### **F. Emergency or "Pressing Need" Purchases**

1. If it is necessary to make a one-time emergency procurement to continue service or obtain goods, the purchase must be authorized using a purchase order. The following emergency procedures shall be followed. All emergency procurements shall be approved by the Food Service Supervisor. At a minimum, the following emergency procurement procedures shall be documented:
  - item name
  - dollar amount
  - vendor, and
  - reason for emergency
2. The SFA shall agree to retain all books, records and other documents relative to the award of the contract for three (3) years after final payment. Specifically the SFA shall maintain, at a minimum, the following documents:

  - A copy of the original solicitation;
  - The selection of contract type;
  - The bidding and negotiation history and working papers;
  - The basis for contractor selection;
  - Approval from the State agency to support a lack of competition when competitive bids or offers are not obtained;
  - The basis for award cost or price;
  - The terms and conditions of the contract;
  - Any changes to the contract and negotiation history;

## Procurement Terms

<b>Buy American</b>	Defined in section 12(n) of the National School Lunch Act, requires schools to purchase, to the maximum extent practicable, domestic commodities and products. Purchases made in accordance with the Buy American provision must still follow the applicable procurement rules calling for free and open competition.
<b>Code of Conduct (Code of Standards of Conduct)</b>	A set of rules outlining the responsibilities of, or proper practices for, an individual or organization. Grantees and subgrantees maintain a written code of standards of conduct governing the performance of their employees engaged in the award and administration of contracts.
<b>Competitive Proposals, i.e., a Request for Proposals</b>	A method of procurement using a Request for Proposals (RFP) whereby a technical proposal is solicited that explains how the prospective contractor will meet the objectives of the solicitation and a cost element that identifies the costs to accomplish the technical proposal.
<b>Competitive Sealed Bidding</b>	A formal method of procurement during which sealed bids are publicly solicited, through an Invitation for Bid (IFB), resulting in the award of a fixed price contract to the responsible vendor/bidder whose solicitation is responsive to the IFB, conforms to all the material terms and conditions of the IFB, and is lowest in price.
<b>Cost Index</b>	A price adjustment based on increases or decreases in labor or material cost standards or indexes that are specifically identified in the fixed contract. When using this type of contract, it is important to clearly state that price adjustments should reflect both increases and decreases in the identified index.
<b>Cost Reimbursable Contract</b>	A formal, legally enforceable contract that reimburses the contractor for costs incurred under the contract, but does not provide for any other payment to the contractor, with or without a fixed fee.
<b>Fixed-price</b>	A price that is fixed at the inception of a contract and is guaranteed for a specific period of time. A fixed-price contract may also contain an economic cost adjustment provision tied to a standard index.
<b>Food Service Management Company (FSMC)</b>	A commercial enterprise or a nonprofit organization that is or may be contracted with by the SFA to manage any aspect of the school food service. [7 CFR 210.2] Under the Summer Food Service Program an FSMC means any commercial enterprise or nonprofit organization with which a sponsor may contract for preparing unitized meals, with or without milk, for use in the Program, or for managing a sponsor's food service operations in accordance with the limitations set forth in §225.15. Under the Child and Adult Care Food Program an FSMC means an organization other than a public or private nonprofit school, with which an institution may contract for preparing and, unless otherwise provided for, delivering meals, with or without milk for use in the Program. [7 CFR 226.2].
<b>Group Buying Organizations</b>	Group Purchasing Organizations, Buying Organizations, and Third-Party Vendors. Collectively referred to as GPOs, these often include Child Nutrition Program and non-Program operators such as public and private schools, hospitals, universities, law enforcement, public works, etc. who join a third-party company or service provider.

<b>Invitation for Bids (IFB)</b>	A type of solicitation document used in competitive sealed bidding, where the primary consideration is cost and the expectation is that competitive bids will be received and an acceptance (award) will be made to the responsive and responsible bidder whose bid is lowest in price. An IFB is a formal method of procurement that uses sealed bidding and results in a fixed price contract with or without adjustment factors.
<b>Micro-Purchases</b>	Procurement by micro-purchase is the acquisition of supplies or services, the aggregate dollar amount of which does not exceed \$3,000 (or \$2,000 in the case of acquisitions for construction subject to the Davis-Bacon Act). To the extent practicable, the non-Federal entity must distribute micro-purchases equitably among qualified suppliers. Micro-purchases may be awarded without soliciting competitive quotations if the non-Federal entity considers the price to be reasonable. (CFR 200.320)
<b>Nonprofit School Food Service</b>	All food service operations conducted by the SFA principally for the benefit of schoolchildren, all of the revenue from which is used solely for the operation or improvement of such food services.
<b>Procurement</b>	A multi-step process for obtaining the most responsive goods, products, and/or services at the best possible price in accordance with applicable rules and regulations. The steps in this process are planning, writing specifications, advertising the procurement, awarding the contract, and managing the contract.
<b>Request for Proposal (RFP)</b>	A type of solicitation document used for the formal procurement method of competitive proposals. The RFP identifies the goods and services needed and all significant evaluation factors. The RFP is publicized and is used to solicit proposals from a number of sources.
<b>Sealed Bids, i.e., an Invitation for Bids (IFB)</b>	A formal method of procurement in which bids are publicly solicited, i.e., through an invitation for bids (IFB), resulting in the award of a firm-fixed price contract to the responsible bidder whose bid is responsive to the IFB, conforms to all the material terms and conditions of the invitation for bids, and is lowest in price.
<b>Small Purchase Procedures</b>	Those relatively simple and informal procurement methods for securing services, supplies, or property that may be used when the anticipated acquisition will fall below the small purchase threshold. The small purchase threshold has been changed from \$100,000 to \$150,000. State and local regulations often set lower small purchase thresholds that are more restrictive than the federal level.
