

Welcome to Kindergarten!

If your child has turned 5 on or before August 31st, 2022, you may register them for Kindergarten! On-line enrollment is available at lacenterschools.org or at the elementary office from 9:00 a.m.-2:00 p.m. Here is some information to help guide you through the registration process:

OPEN REGISTRATION STARTS APRIL 11th – 22nd

We are unable to accept registrations BEFORE APRIL 11th

We require the following:

Legal, state-issued birth certificate
Residency Verification documentation
Home Language Survey
Student Health History
Family Emergency Plan
Current Immunization record

All of these forms can be found under New/Returning Student Registration on our website:

lacenterschools.org

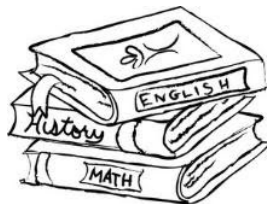

Immunization records must be turned into the school office on or before the first day of attendance.

Shot records must be from a health care provider, or you must attach paperwork from a health care provider to your handwritten form that shows your child's records are accurate. If your child was immunized in the state of Washington, the office can also print a current Certificate of Immunization form.

Your child cannot attend school until you provide these records.

If you choose to exempt your child from immunizations, a Certificate of Exemption form is available from the office and requires a doctor's signature.

If your child has a life-threatening health condition (asthma, allergies, etc.) requiring medication at school, please contact our nurse, Danielle Rivers, at 360-263-2134, ext. 2118 or danielle.rivers@lacenterschools.org for important information.

Your child will be assessed here at the school either June 9th or June 10th. The information gathered helps teachers find the best possible placement for your child. Assessments can be scheduled online using SignUp.com – <http://signup.com/go/RcoggTx>

For children that have completed the assessment, you will receive an email over the summer regarding class placement, along with a link to sign up for a Family Connection (WA Kids) meeting. This family connection meeting is an opportunity for the teacher to get to know you and your child a little better! If you are unable to make the scheduled assessment the end of June, your child will be rescheduled for assessment in August and will have to wait until school starts to determine class placement.

Family connection meetings (WA Kids) are estimated to take about 25 minutes and will be held Wednesday, August 31st and Thursday, September 1st.

Kindy Cub Camp is a time for students to become familiar with the school, the kindergarten teachers and make new friends! The Camp will be located in our Kindergarten classrooms.

First Days of School . . .

To help with the transition of starting school, the first two days will be a 'soft start' with only half the class attending at one time for the full day. Students with last names A-L will attend Friday, September 2nd. Students with last names M-Z will attend Tuesday, September 6th.

All students will attend Wednesday, September 7 (late start 9:15 a.m.)
