

# Academic Acceleration Opt-Out Form

Per RCW 28A.320.195, the La Center School District has adopted Academic Acceleration Policy 2195. Students who meet or exceed standard on the English, mathematics or science state assessments or who successfully complete an advanced course will automatically be enrolled in the next most rigorous course.

Specifically:

- Any student who meets or exceeds the state standard on the 8th grade or 10th grade English or math state assessment will be automatically enrolled in the next most rigorous English or math course offered by the high school that aligns with the student's high school and beyond plan.
- Students who successfully complete an advanced course in English, math, science or social studies are then enrolled in the next most rigorous level of advanced course.

Additionally,

- As a parent or guardian of a high school student, you may choose to opt your student out of an advanced course and enroll your student in an alternative course that aligns with the student's high school and beyond plan.
- If you have any questions, please contact your student's school counselor.

**Students referenced above are automatically enrolled in the next most rigorous advanced course.**

If you would like to have your student:

- automatically enrolled in an advanced or dual credit course, you do not need to take any further action.
- opted out of the automatic enrollment, please indicate your preference below for each course you would like to opt out of the automatic enrollment process, and return the form to your student's counselor.

Course: \_\_\_\_\_

Course: \_\_\_\_\_

Course: \_\_\_\_\_

Student's Name (please print): \_\_\_\_\_

Parent/Guardian Signature: \_\_\_\_\_

Date: \_\_\_\_\_

Counselor's Signature: \_\_\_\_\_

This form will be retained in your student's permanent file.
