

# La Center Academy

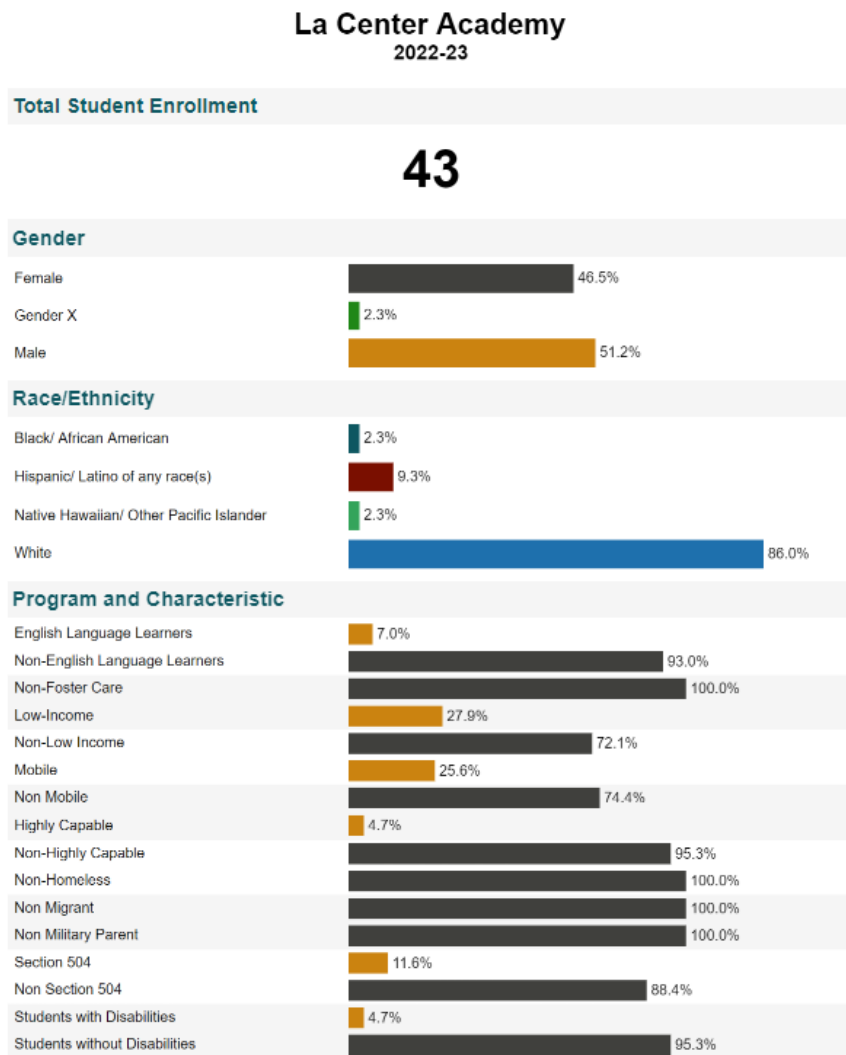

## Annual Report 2022-2023

La Center Academy had a student average of 47.6 FTEs and an average of 54 for head count with certificated staff at 2.0 FTE. We had 24 students who committed to returning next year. LCA also had choice transfer students from Ridgefield, Battle Ground, Evergreen, Kalama, and Green Mountain.

Odysseyware Online is still the main program being used for elementary and middle school students for grades 3-8. APEX is the main online program being used for high school. LCA is using SchoolData to house most of our state required forms, attendance, progress reports, etc. LCA is keeping an open mind and watching available online programs that are endorsed by the state to make sure we have the best program available for La Center School District.

OSPI Website:

### How many students were enrolled at the beginning of the school year?
