

La Center High School

Annual Report

2022-2023

Mission Statement

The mission of the La Center School District is to create a supportive environment that empowers students to reach their fullest potential. We will do this in partnership with families, the community, and employees to create lifelong learners who can adapt to a changing, more technologically advanced and diverse society.

Running Start

Running Start is a state-wide program where juniors and seniors may attend a local community college and receive high school and college credit simultaneously. Through the Running Start program, many students over the last 4 years have earned an AA degree from Clark College or Lower Columbia College while meeting the requirements for high school graduation. Other students graduated with only a few credits still to be earned toward their two-year college degree.

La Center HS Improvement Goal #2:

All students at La Center High School will be provided with and be able to access *opportunities to grow socially and emotionally* to best support their development and future success in life as self-reliant life long learners.

How you can help

Parents may become involved in La Center High School and their children's education in many ways. If you wish to become more specifically involved with your children's education, you may join such groups as the Booster Club, LCEF (La Center Education Foundation), Music Association, Vocational Advisory, and Senior Parents. Parents involved in these support groups support specific activities and provide fundraising assistance. The participation of parents is vitally important to maintain a quality school. If you would like to get involved in any of these activities, please contact the High School office at 263-1700.
