March 2024

EARLY RELEASE AND MAKEUP SNOW DAYS

Our wonderful January weather means that March 22 is a regular school day. We missed a bunch of January, so we are looking forward to seeing students for that extra day where we can hopefully make up a little lost ground.

March 27, 28, and 29 are early release days for the middle school (and high school) and the school day will end at 11:50 on those days. This also means that Wednesday, March 27, will not be a late start due to that early release.

If your student will be absent please let the office know by texting or calling the attendance line at 360-836-0240.
